

U.S. Patent Application No. 10/070,882
Response to Notice of Non-Compliant Amendment
Page 3

REMARKS

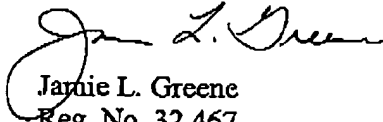

In response to the Notice of Non-Compliant Amendment mailed September 15, 2005, the Examiner stated that the Amendment and Response to Non-Final Office Action, filed 24 June, 2005, failed to meet the requirements of 37 C.F.R. §1.121 because the Abstract was not presented on a separate sheet. Applicants respectfully submit that the section of the Response entitled "Amendments to the Specification" was presented on a separate sheet and that the instructions pertaining to the placement of the Abstract in the Specification indicated that the new Abstract should be on a separate sheet. However, to facilitate prosecution, applicants herein present the new Abstract on a separate sheet of this Response and also identify where the Abstract should be inserted on a separate sheet in the present application.

CONCLUSION

Applicants respectfully submit that the foregoing is a full and complete Response to the Notice of Non-Compliant Amendment. If the Examiner believes there are other issues that can be resolved by telephone interview, or that there are any informalities remaining in the application which may be corrected by Examiner's Amendment, a telephone call to the undersigned attorney at (404) 815-6500 is respectfully solicited.

No additional fees are believed due; however the Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment to Deposit Account number 11-0855.

Respectfully submitted,
